Let's talk

Adam Murray

Web Development   Accounting   Customer Service

email adam@adamgmurray.xyz | adamgmurray.xyz | homepage | 330 622 2352 | mobile

Things I've done:

Accounting/Software Help Desk
Harley-Davidson Dealer Systems
December 2015-present
Support and train Harley-Davidson
employees on TALONes management
information system
Assist management in improving business
processes and resolving bookkeeping errors

ERP/Software Help Desk
Henning Software
October 2014-July 2015
Support and train machine-shop employees
and accountants using Henning's ERP and
accounting software

Service Specialist
Apple Store
October 2010-October 2014
Software and Hardware troubleshooting for
iOS devices at the Apple Genius Bar
iOS and MacOS personal and group
training

B.S. Accounting
The University of Akron

Things I'm doing:

Front-End Certification
freeCodeCamp
February 2016-Present

Front-end development courses
Projects completed on CodePen, in vanilla
JavaScript. All saved to my github

Learning Vanilla JavaScript
JavaScript: The Definitive Guide
January 2017-present

Reading through this complete guide to
EMACScript5. I know EMACScript5 is
out-dated, but it covers the fundamentals
of the language very well for me.

HTML, CSS, JavaScript, the "big-picture"
of software development
CSS-Tricks, FunFunFunction by mpjme,
frontendmasters.com

Links to my GitHub, Medium, Instagram,
and LinkedIn can be found on my website
which is in the side bar. Cheers.
